

Уважаемые коллеги! Поступила следующая информация.

Dear colleague!

Please find attached First announcement and Call for papers for the 16th International Workshop on H-mode Physics and Transport Barriers (HMWS-2017).

The HMWS-2017 will be held on 13-15 September 2017, in St. Petersburg, Russian Federation.

Workshop website with necessary information is open at: <http://onlinereg.ru/site.php?go=278&page=6364&lang=ENG>.

Please distribute this message to your colleagues who might be interested to participate in the meeting.

Thank you for collaboration and sorry if you received the message twice or are not interested in this event.

Sincerely,  
Sergei Lebedev  
on behalf of the Local Organising Committees
